

# Invitation to Attend

## 2018 Election Forum Advancing Senior Care in Ontario

April 23, 2018 | 10:30am to 12:30pm  
Doors open at 10:00am  
Ontario Institute for Studies in Education  
252 Bloor Street West, Toronto

Ontario's seniors population is growing at an unprecedented rate, yet our health and social services are not prepared to meet the needs of this critical demographic change. The upcoming Provincial Election is an important opportunity to bring attention to this issue so that it is a top priority for all political parties. As organizations representing seniors and providers of care and services across the continuum, we invite you to join us for this special election forum.

André Picard, *Globe and Mail* health reporter, will host a discussion with invited representatives from the Liberal, Progressive Conservative, New Democrat, and Green parties on their plans for addressing the future care and service needs of Ontario's seniors.

There is no charge to attend, but you must register before April 16 at [seniorforum2018.squarespace.com](http://seniorforum2018.squarespace.com). You are welcome to include suggested questions for party representatives with your registration.

Please feel free to extend this invitation to others who may be interested.

We hope you can join us!
